

3" Finished HST templates

Use this template to create 3" finished (3 1/2" cut) half-square triangles (HSTs) - you will get four HSTs from this sheet.

1" sq.

To check your scale is correct when printing, make sure the box above measures 1in square exactly. If it does not, adjust you scale accordingly. (Also, check that the 'fit to page' option is not clicked).
